

**BuildSol, LLC**

*"We're building solutions"*

## Commitment to Quality

With a portfolio of commercial projects in excess of \$20,000,000, we pride ourselves on a constant commitment to high quality, error free projects. Our professional communication, process and management allows us to deliver a consistent quality across all of our work.

## Innovative Solutions

Through engaging the most innovative solutions available, we uphold an system of continual and incremental change to our processes to ensure our quality of work does not lag behind that of our competitors.

## Value

We uphold our commitment to high quality across the entire value chain, from design and construction through to operations and maintenance. Through ensuring quality across our process, we ensure projects run smoothly and are delivered on time with a fantastic level of quality.

## Professional Team

We are proud of our levels of expertise. Many members of our staff have been with us for more than 10 years, and our training and support process guarantees a high level of care, precision and quality topped by no one else in the industry.
